

WELCOME TO

MADRID

Being a respectful guest in Madrid is important all year round, but it's even more important during this year's Champions League Final. Hosts in Madrid have put together a list of tips to help make your trip to Madrid during the Final a memorable experience for guests, hosts and neighbours alike.

SECURITY

Safety comes first. Please make sure you always lock doors and windows behind you and close and lock all communal doors in the building.

COMMON AREAS

ssshh

If you're arriving home late from the game, please be aware of the noise you're making in communal areas. Noise in the corridors tends to resonate.

HOUSE RULES

Take a moment to remind yourself of the house rules of the listing you are staying in - you can find them in your booking confirmation. Please treat your listing like it's your own home.

EXPLORING OTHER AREAS

If you have a bit of extra time, why not explore other areas of Madrid? Aida, a host in Carabanchel, recommends her neighbourhood to taste the best churros in town and the most authentic tapas.

PUBLIC TRANSPORT

If you're here in Madrid to watch the Champions League Final, you'll find the closest subway station to Wanda Metropolitano is Lines 7's 'Estadio Metropolitano'. Alternatively, we recommend Line 2's 'Las Rosas' or Line 5's 'Canillejas', both are 15 minutes walking distance from the stadium.

FINALLY, ENJOY YOURSELF!

Make yourself at home and enjoy the sights and sounds of Madrid. And don't forget to leave your host a review telling them how you found your stay.
